MEMORANDUM FOR: Mr. Duckett  
*Carl -*

The status has been a "hold" pending word from [REDACTED] I called [REDACTED] yesterday and found that he had been out sick with food poisoning. He said he would appreciate a reply which he might pass to Gehrig (Staff Director of the Senate Aeronautical and Space Committee) in the near future. There is no great urgency for this reply, but he would like to have one at our convenience. I presume FMSAC and OSP may have inputs for this reply. Unless you would prefer to do it otherwise, I will get in touch with Dave Brandwein and John Crowley and ask their views on the Soviet Space Treaty.

*Bill - Dave only - Thanks*
